Helps for quick and easy absorption of the emulsion.

Coconut oil and Shea butter nourish, protect and supply the skin with moisture, thanks to which it is deeply nourished and fully restored.

Relaxing and balancing properties of essential lavender oil help to hydrate the skin.

SERIES WITH 100% NATURAL ESSENTIAL OILS

FACE CREAM

The products which are yielded from the flowers of Rosa Damascena are among the best used in skin care. Rose oil and rose absolutes used in cream, support the fight against aging, have calming and refreshing effect and deep flavor. It contributes to enhancing the elasticity of the skin.

The cream is enriched with an innovative complex certified by ECOCERT, which allows immediate improvement of skin surface. Helps filling and smoothing wrinkles and reduces pore size.

Its patented Moisture trap™ technology is designed to lock onto the skin moisturizing and regenerating properties of natural complex, comprising hyaluronic acid and barley extract.

Studies on this innovative complex show: instantaneous hydration and reducing the depth of wrinkles after 30 min; up to 39% after 3 hours and the long term maintenance of the effect up to 30% in 28 days; up to 26% reduction of pores volume.

HAIR MASK with 5 Oils

The products which are yielded from the flowers of Rosa Damascena are among the best used in skin care.

The mask combines the qualities of the five natural oils: Argan oil, olive oil, sweet almond oil from Shea oil as well as coconut oil. The unique properties of Bulgarian rose oil used in hair mask makes hair healthy, making it shiny and soft. The mask improves combing of wet and dry hair and makes touching a pleasant feeling to.

SERIES WITH 100% NATURAL ESSENTIAL OILS

HAIR SHAMPOO with Melissa oil

Specially designed formula with Melissa oil, lemon oil and vetiver essential oil. For soft, silky skin and hair. New innovative soft foaming agent created from the combination of the lipid chains of olive oil and coconut oil with oat amino acids and fruit sugars with effective washing properties without irritation and drying of the skin and hair.
